EQUIPPED SPACES

FILING

Archivi & Servizi clears your office and stores your documents in a safe place. A reference room provided with telematic devices (tool kit for telematic copy and transfer of documents) is at our customers' disposal.

Among our services:

- digitization of documents
- email sending of filed documents
- data room
- certified destruction of documents
- electronic invoicing

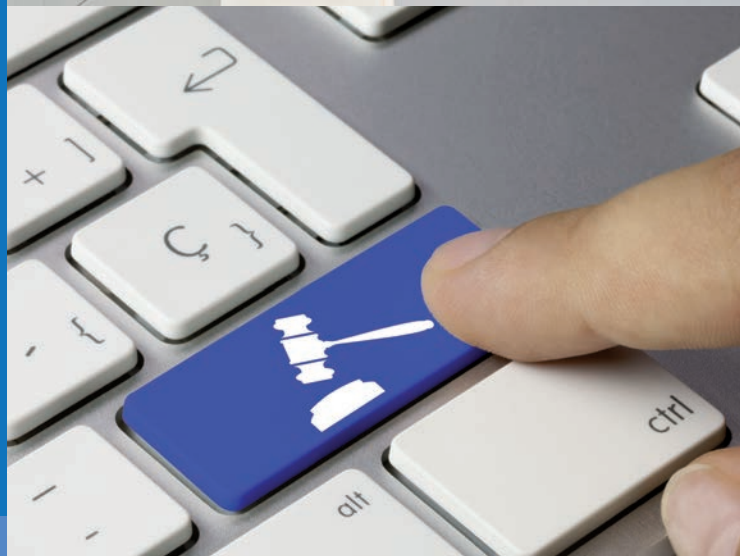

BANKRUPTCY PROCEEDINGS

Know How, proficiency and experience are at professionals' disposal in the management of a bankruptcy proceeding, from the taking care of the company to its partial/total sale or to its liquidation.

- Constant security checks
- Accounting reports and "Fallco" procedures
- Sale advertising of movables and immovables (web, mailing, newsletter, and so on)
- Better offers through on-line auctions
- Inspections with potential buyers
- Total assistance at any sale level
- Office clearing and occasional taking charge of documents, machinery and goods
- Cloud storage

ADVERTISEMENT

Archivi & Servizi advertises movables and immovables on a global web site by means of an international net of remarketing and information channels:

- processing of information concerning movables and immovables on sale
- telematic advertising of auctions (Italian/English)
- mailing and newsletters (Italian/English)
- better offers through on-line auctions

EQUIPPED SPACES
